With reference to Govt.Pro.No.3513-17/LF69-03 dated 15th March 1904, sanctioning the grant, free of cost, of land in the Idga Extension for the construction of an Hos-pital by the Wesleyan Mission, I have the honor to state that the Rev.Mr.Sawday applied on the 29th June 1904, for an additional piece of land to the west of the site already granted, on the ground that it would be impossible for the Mission to erect satisfactorily all the buildings required for the Hospital in question. The matter having been placed before the Board at its meeting on the 7th July 1904, was considered and was resolved that unless Rev. Mr.Sawday can state his requirements definitely the Trust were not prepared to hand over any more land (vide Resolution No. V dated 7th July 1904 and a copy of which is enclosed for ready reference.

2. On being informed of the above resolution the Rev.Mr.Sawday pointed out in his letter dated 18th July 1904 that a number of buildings had to be erected such as those particularised in the Margin and stated that it was utterly impossible to locate all the buildings needed, on the present site..
